

**FAMILY
DOCTORS**
with heads and hearts

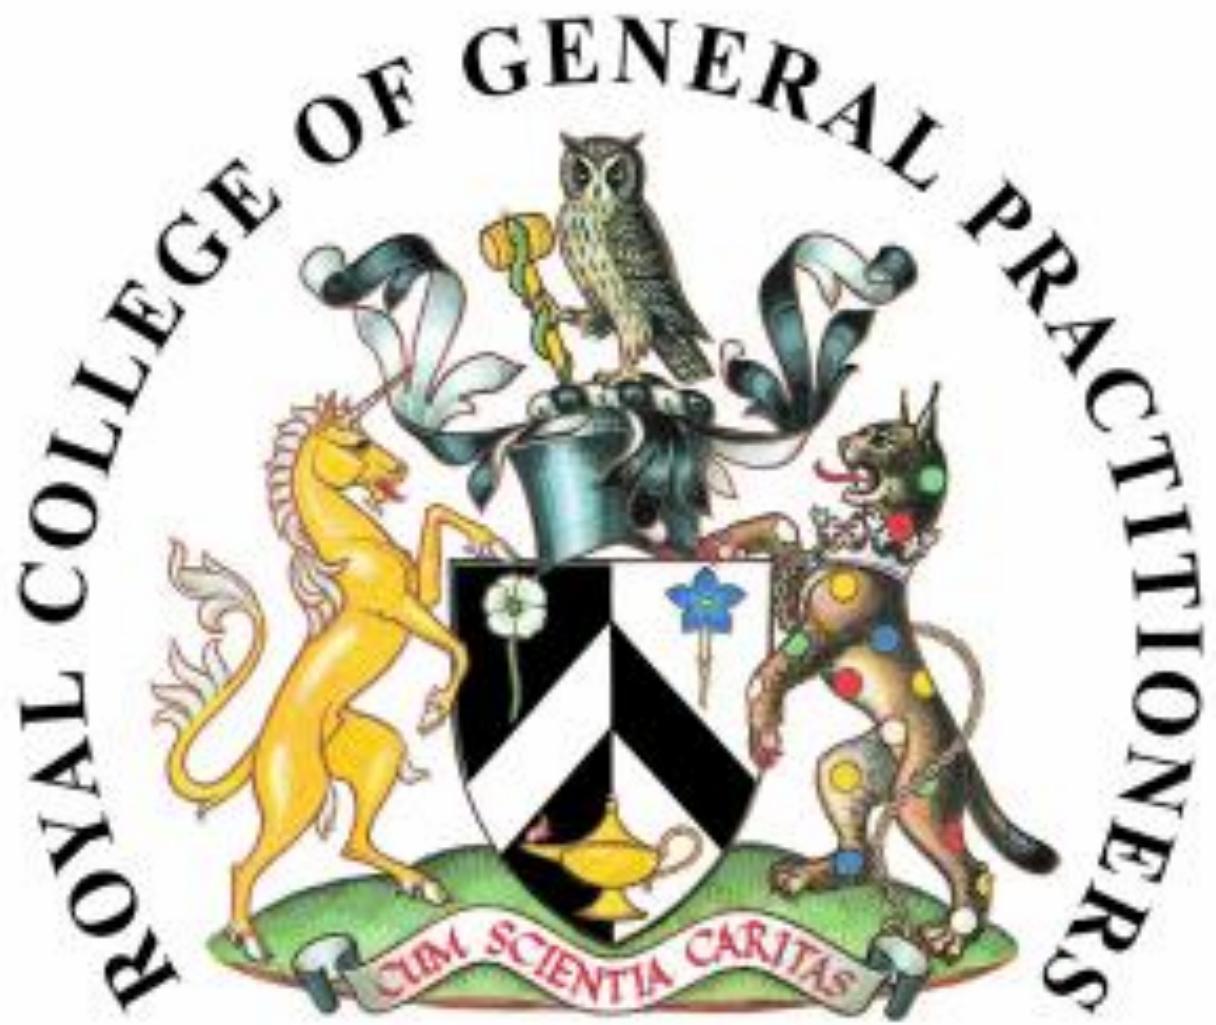

A Global Perspective

Michael Kidd

President

World Organization of Family Doctors (WONCA)

“What I value the most from my work is good relationships with the people we, nurses and me, care for.” General practitioner, Bosnia and Herzegovina

www.IntegratedCare4People.org

in support of the WHO Framework on integrated people-centred health services

The five themes of this conference:

- The ageing Europe
- Making healthcare affordable
- The future consultation
- Diagnosing – a vital task for family medicine
- Inequalities in health

The five themes of this conference:

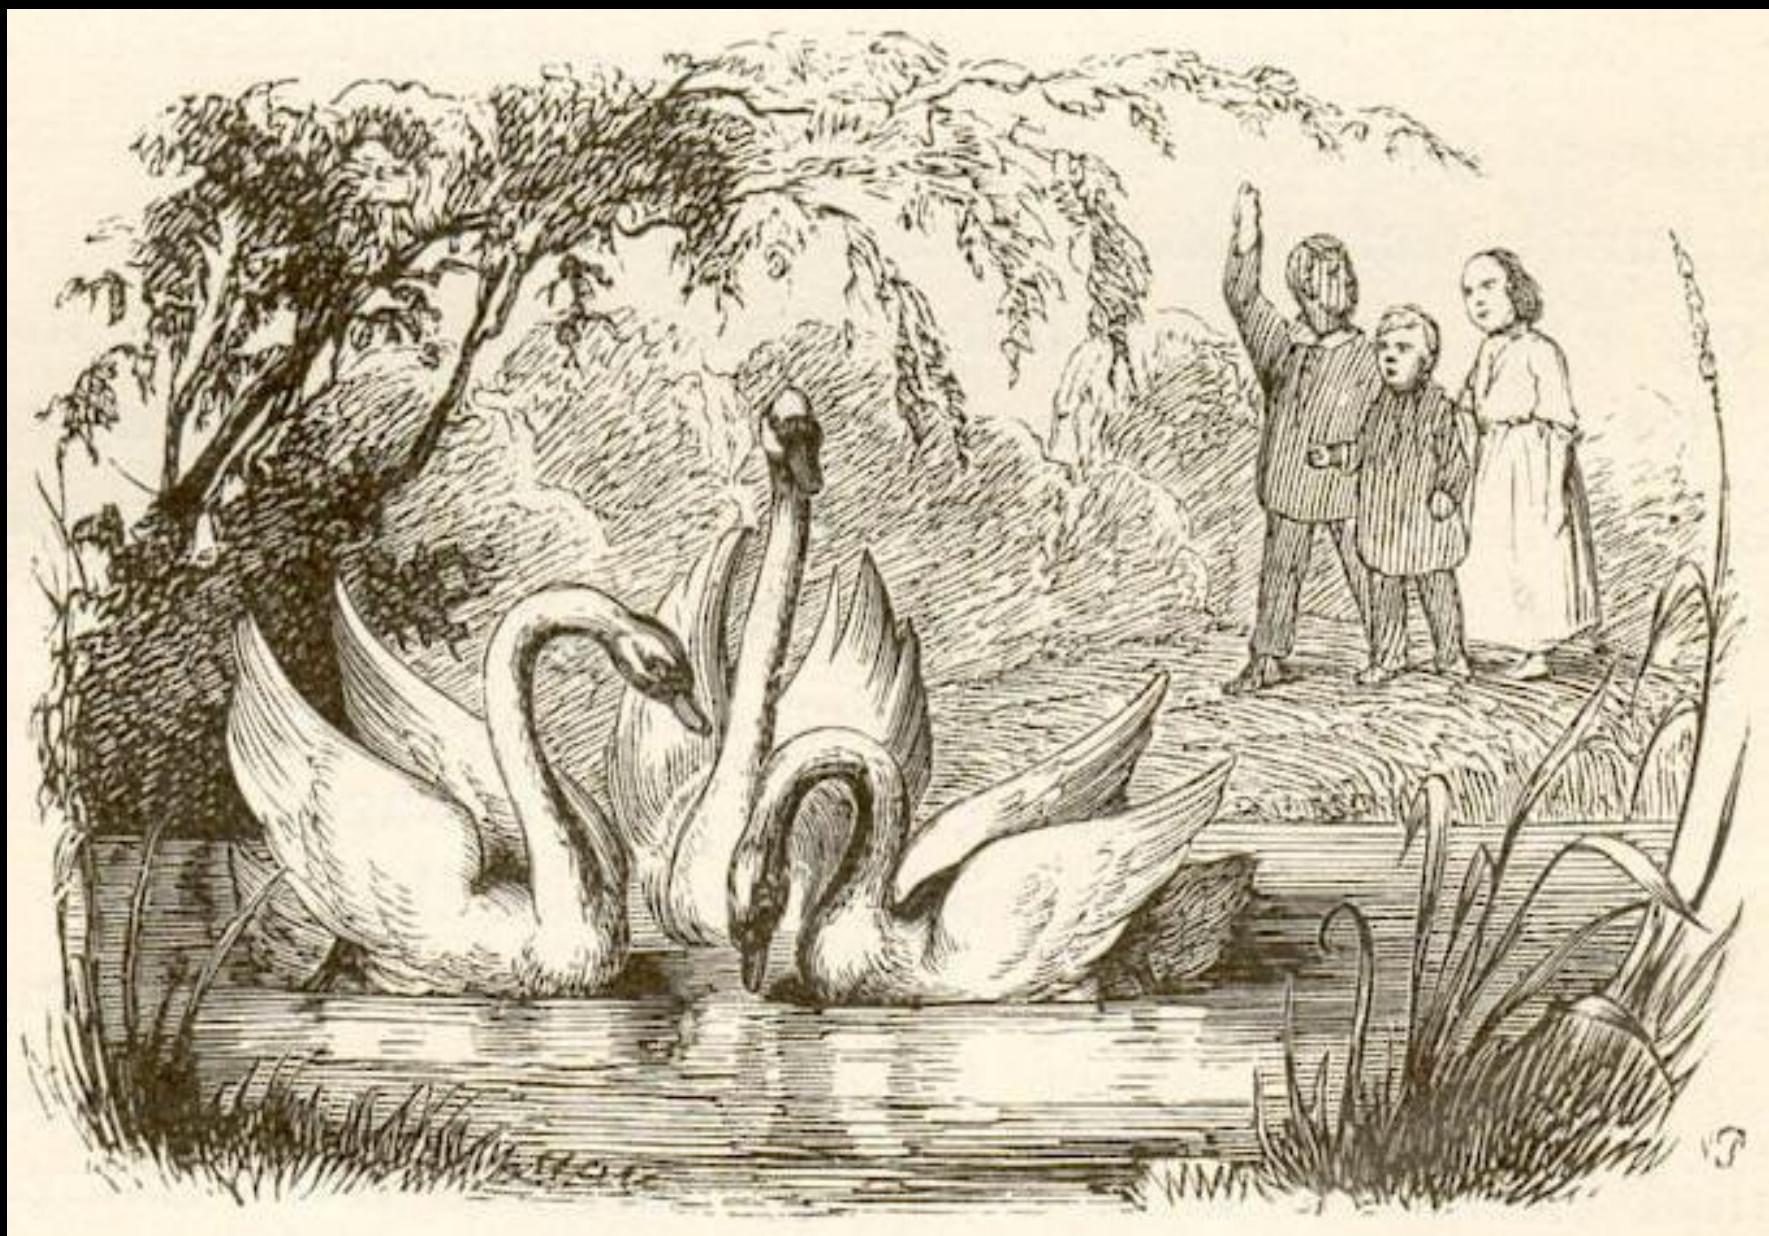

- The ageing Europe
- Making healthcare affordable
- The future consultation
- Diagnosing – a vital task for family medicine
- Inequalities in health

By 2050, 34% of the population of Europe will be aged 60 years or over.

“Today’s young family doctors are the ugly ducklings of the health care system.”

The five themes of this conference:

- The ageing Europe
- **Making healthcare affordable**
- The future consultation
- Diagnosing – a vital task for family medicine
- Inequalities in health

WONCA Europe 2015 Istanbul Statement

Refugees should have access to equitable, affordable and high-quality health care services in all Europe.

“Doctors are the natural attorneys of the poor, and social problems fall to a large extent within their jurisdiction.”

Rudolf Virchow
