## **Annual report 2011 from the Chairman of NFGP**

### **Meetings and Annual General Assembly**

The Annual General Assembly took place in Copenhagen 1-2 April 2011.

At the meeting I was elected as chairman of NFGP from 1.9.2011 and Peter Vedsted was approved as the new Editor-in-Chief of SJPHC from 1.4.2011. Peter Torsten Sørensen was approved as new director of NFGP from 1 July 2011 and Tina Malene Pedersen as secretary.

We all thank former chairwoman Anna Stavdal, Editor-in-Chief and director Jacob Kragstrup and secretary Lise Stark for splendid work through several years!

One of the things we decided was to finance a new website and I am happy to announce that the website now is open and you can find it at [www.nfgp.org](http://www.nfgp.org). I am very impressed with the result and I think it gives a fine overview of the construction of NFGP.

Peter Torsten Sørensen, Peter Vedsted and I met in Copenhagen 15 November to discuss the ongoing work in NFGP.

### **Nordic Congress of General Practice**

NFA arranged the 17. Nordic Congress of General Practice in Tromsø 14-17 June 2011 together with the University of Tromsø. 933 participants participated at and we really congratulate the Norwegians with a very successful congress.

The NFGP Congress Committee held two meetings in 2011 because the volcanic ashes from Iceland in 2010 made the annual meeting in 2010 impossible. The meetings were held in Göteborg and Tampere. At the time being they are planning the two next congresses in Tampere 2013 and Göteborg 2015.

## **SJPHC**

Prior to the approval of Peter Vedsted as Editor-in-Chief for SJPHC we had a thorough process where we finally interviewed four very good candidates. We congratulate Peter and wish him good luck in this important job.

See Editor-in-Chief's annual report for further information.

I hereby thank the Editorial Board, the Editor-in-Chief and the editorial secretary in particular for an excellent work.

## **Thank you all for your efforts during 2011**

I would like to thank all three working parties of the Federation for contributions and cooperation during the past year. We are continuing our work to build the organization, which is still young, and needs continuous consideration. I would also like to thank Tina Malene Pedersen and Peter Torsten Sørensen for their attendance to and caretaking of NFGP in its everyday life.
